104(e) Response Summary		
<p>On August 13, 2019, Rodney Evans (the Respondent), Vice President of Riddle Tractor Sales, Inc., provided his response to the 104(e) Information Request addressed to his father, Lynn Evans.</p> <p>The Respondent explains his grandfather, Mr. Homer Riddle, began operating Riddle Tractor Sales Inc. at 5 North Short Street in 1955. Eventually, Mr. Lynn Evans took over operational control in 1972 until he passed away in June 2019. The Respondent indicates his knowledge of the operations at the property of interest is limited; he worked there for a few years in the 1980s and seems to have inherited operational control since his father passed away in June. The Respondent states no one else is available to ask about operations, and the other prior owners, including his father and grandparents, are all deceased.</p> <p>Riddle Tractor Sales sells retail farm equipment, such as tractors and hay equipment. The Respondent states hazardous materials have not been handled at the Property of Interest. He briefly describes the “two pole buildings” located at the Property of Interest and a house located on the East side of North Short Street 40 years ago.</p> <p>The Respondent attached the vesting deeds for the Property of Interest wherein Lynn and Rosemary Evans quitclaim their interest in the property to Riddle Tractor Sales Inc. on February 20 and 24, 2017, respectively.</p>
